During the current year we are conducting three schools, The Center, Mrs. Hubert Walker, teacher; The North, Miss Susie I. Chase, teacher; and the Cheever, Miss Nellie M. Ashley, teacher. All the teachers are trained and have had successful experience. We believe that our schools are doing an efficient year's work.

A sanitary chemical toilet has been put in the North school house, some shingling has been done at the Center school house, a well has been dug at the North school, and the underpinning there repaired.

During the year 1926-1927 there needs to be a well dug at the Cheever school, and some work done on the underpinning there. The inside of the North school building needs to be painted, and the Center and the Cheever buildings need cupboards to hold and protect the books and supplies, the noon lunch equipment and other things. These cupboards need not be expensive pieces of work.

We wish to express a feeling of gratitude for the spirit of cooperation that has existed, and our superintendent joins us in voicing that sentiment.

We hope to see all the town's people at the exhibit of school work, and the graduating exercises at the town hall in June.

Respectfully submitted,

H. H. ASHLEY,
I. D. WALKER,
BERTHA M. BURNHAM,

School Committee.
